

Hello. My name is *CODiE the Cougar*.

I work with my *Building Safety Team* to help make homes and buildings safer for everyone. My team members are *Construction Charlie* , *Designer Dana* , and *Safety Inspector Sam* . Would you like to join our *Building Safety Team*?

To be a member of our team, you need to learn about building safety. Come with me on an inspection of your home and let's learn more about building safety. Along the way, you will get to do some fun activities and meet the *Building Safety Team*.

Together, with your help, we can help families everywhere by making safer buildings and homes.
