

RECOMMENDED SEASONAL MAINTENANCE SCHEDULE

INSIDE-OUT HOMECARE, LLC

www.get-inspected.com

SPRING

FALL

ANNUALLY

PERIODICALLY

Home Safety: Think Safety First

- Test Smoke & CO Detectors. Change Batteries in ALL detectors !
- Practice your family's Fire Escape Plan from every bedroom !
- Review your Insurance Policies to insure proper coverage
- Test for Radon Gas. Radon the 2nd leading cause of lung cancer !

Concrete & Masonry:

- Insure ALL Exterior Grading is sloped away from the foundation
- Insure ALL Drives, Walks, Walls, Steps, Patios & Garage Floors are well caulked and sealed. Check for cracks.
- Check Exterior & Interior Foundation walls for dampness
- Check ALL Brick & Masonry walls for cracks and loose mortar
- Have Chimneys checked & cleaned. Repair loose mortar & defects

Exterior Walls, Doors & Windows:

- Trim Trees & Shrubs against the house away from the structure.
- Check ALL painted surfaces for flaking & failing paint
- Check Siding, Shingles, Stucco & Trim for moisture damage
- Check around Doors & Windows for loose caulk, decay & drafts
- Replace damaged Window & Door glazing & weather-stripping
- Keep Ducts, Vents & Louvers clean of debris, pests and nests

Roofs, Gutters & Attics:

- Check for damaged, loose & missing Roofing Shakes & Shingles
- Check for Leaks around Roof Vents, Stacks, Skylights & Chimneys
- Clean ALL Gutters & Downspouts of debris for proper drainage
- Replace rusted or damaged Gutters & Downspouts
- Check Fascias and Soffits for failing paint and damage
- Review Attic Insulation levels & condition. Check Roof Sheathing
- Make sure Attic Vents are open & clear for proper ventilation
- Insure the Attic is free of vermin & that ALL wiring is safe

Electrical:

- Know location of Electrical Disconnect !
- Know & Label each breaker to corresponding switches & outlets !
- Trip Circuit Breakers every 6 months & GCFI Outlets monthly
- Replace ALL small Appliances with damaged cords.
Replace all other damaged Lighting & Extension cords at once
- Call an Electrician at first sign of peculiar electrical situations
